

Partnership Agreement with Telford Carers Centre

Practice	
Carers Champion	

The Practice:

Recognise the on-going need for a Carers Champion within the practice

Agree to display a Carers Centre noticeboard in the practice

All staff able to identify new carers and refer accordingly to Telford Carers Centre

Allow a Telford Carer Centre information folder within the practice waiting area

Utilize the practice website providing information about carers and add a URL link to the Carers Service website (www.telfordcarers.org.uk)

Telford Carers Service:

GP Link worker will provide the link between the Carers Service and the practice

Provide the Carers Champion with relevant Carers Service information and current newsletters

Advertise and promote the Practice as 'Carer Friendly'

Offer clear information on how the practice staff will help to identify carers

Support the practice by attending events which will help identify and support carers and provide pop up display stand as required.

Signed for the Practice
